WHY JOIN THE GLOBAL NETWORK?

- Frontier technologies are remaking the internet – and so the world.
- This is a fast-moving field with significant developments on a daily basis
- Participants need to collaborate & interwork
- New initiatives, ventures & consortia need to find the right partners & participants
- New service, tools and techniques become available all the time
- This continues to accelerate
- **Connect direct with the innovators, experts and latest insights**

Whether you're in DLT, Blockchain, AI, IoT, Fintech or another frontier tech – or just need to understand the impact on your sector, industry or business – this bbfta for you.

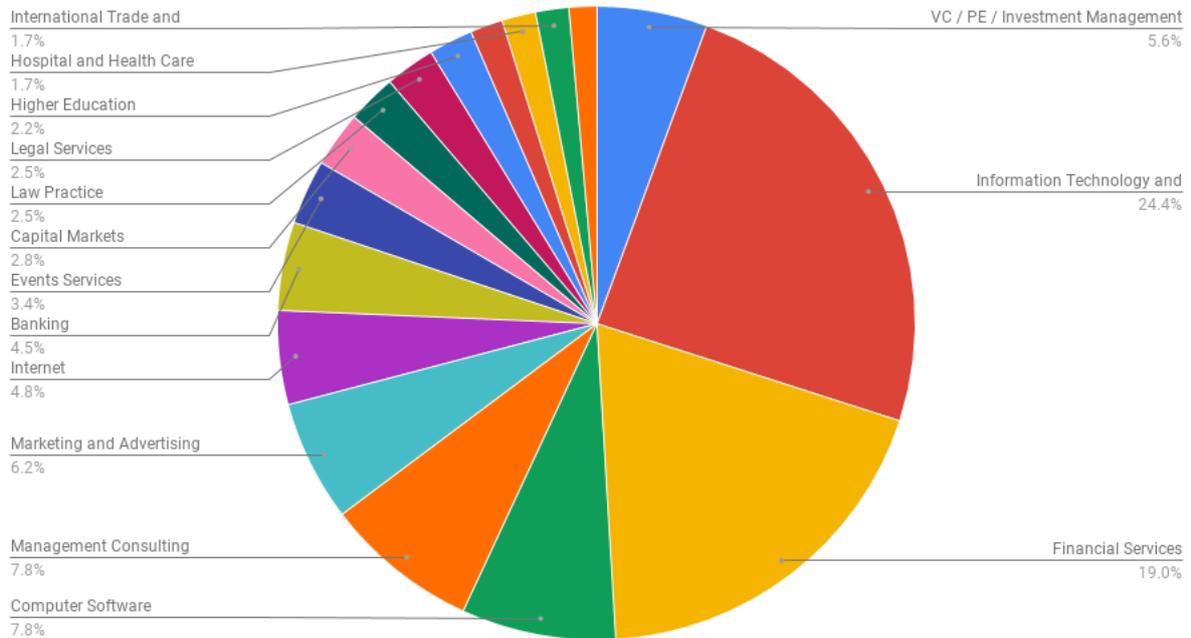

Also Get:

- Full access to **Frontier Insights, daily to your inbox**, including the latest important developments and case studies
- COMING SOON: **Ask the Network**
- COMING SOON: **Frontier Rewards:**
It's tough being a pioneer, at the frontier of technology. Often a thankless existence needing all the help you can get. It's about to get that little bit easier...
